Verses

2) Oh, when she walks long the shore people all she greets,
Wild birds fly her over and fish come to her feet.
In her heart there's love but I'm the only man,
Who's allowed to kiss my, oh Mary Ann.

3) Oh, when we marry we will have the time we ever thought,
I would be so happy, I'd kiss my mother-in-law.
All the little children running in the bamboo hut,
One for every palmtree and the coconut.
